

Silicon Valley Christian Health Alliance Giving Opportunities

A Faith-Based Clinic for the Underserved

Our mission is to show and share the love of Christ by providing accessible health care oriented to the physical, emotional, and spiritual needs of the underserved community. We currently provide medical and dental care to patients at the CityTeam Rescue Mission and Recovery Center in San Jose. See our website svcha.org for more information.

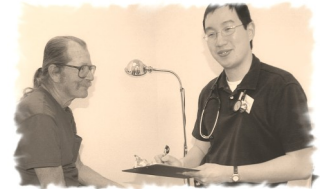

Gift #1: Medical and Dental Ministry

Provides medical and dental care to our patients in need. Your donation of \$50 sponsors one dental crown, \$100 – one bridge, and \$200 – a set of upper or lower dentures. This gift also goes towards purchasing needed prescription medications for patients.

Gift #2: Spiritual and Felt Needs Ministry

Provides spiritual materials like Bibles for follow up, and spiritual training & equipping of our volunteer workers. We also provide socks and hygiene supplies for our patients in need.

Gift #3: Paid Internship Program

This gift goes towards funding a paid internship program for CityTeam Recovery graduates working as part-time staff with SVCHA.
